

Dunwoody Dental Cancellation Policy

We set aside the appropriate time for our patients to give each patient the best care. We ask that you make every effort to keep your appointments in our office that are reserved especially for you.

Please give 48 hours notice if you need to cancel or reschedule an appointment. This allows other patients who are waiting for treatment to have the opportunity to schedule an appointment.

Failure to cancel with sufficient notice will result in a charge of \$100 to reschedule. Two failed appointments without proper notification will result in being dismissed from our practice.

Patient Name _____ Date _____

Patient Signature _____

Parent/Responsible Party's Signature _____
